1. **Call to Order, Welcome and Introductions:** Chief Robert Rocha called the meeting to order at 11:04 a.m. Chief Rocha asked that everyone introduce themselves.
2. **Motion to Amend:** The LEPC Proposed Budget for FY 2015-2016 by increasing \$15,000 to fund a 20% grant match on a proposal to be submitted to the Texas Division of Emergency Management Hazardous Materials Emergency Preparedness (HMEP) in the amount of \$75,000. The grant will be used to conduct a commodity flow study.

After a short discussion, Chief Rocha stated that due to an increase in traffic, it is time to update the LEPC 2010 Commodity Flow Report to have a clear path moving forward. The 2010 Commodity Flow study predated the opening of the Joe Fulton Corridor and the additional traffic due to Eagle Ford Shale activity. The LEPC will submit a proposal and will also be the coordination for the grant, if secured.

Chief Rocha called for a vote. A motion was made by Billy Delgado, seconded by David Cave to accept the amendment of the LEPC Proposed Budget for FY 2015-2016 increase by \$15,000 to fund a 20% grant match on a proposal to be submitted to the Texas Division of Emergency Management Hazardous Materials Emergency Preparedness (HMEP) amount of \$75,000, which will be used to conduct a commodity flow study. Motion carried unanimously.

3. Billy Delgado made the motion to adjourn and Rick Ramos provided a second. Meeting adjourned at 11:22 a.m.

Robert Rocha, LEPC Chairperson
